Revision in FBIB Section of Operational Handbook

1. Substitute "Reseda" for "Portland" in "Overt Monitoring System Daily Coverage" and "Daily Average of Words Monitored by Language & Station".

2. Replace text under "Prospective Relocation of Stations and Increase in Coverage" with the attached.

3. Although the map illustrating "Current Coverage" should properly be revised to show coverage at Reseda rather than at Portland, it is recommended that such revision await completion of other relocations.
